26. Any other relevant information about the College.

This is the only college in town working for the empowerment of rural youth. It is very fortunate for us that the land is donated by the local well wishers. Now the college is in transition period. With enthusiastic staff and proper leadership it is moving ahead. The major focus is on the burning issue of climate change and global warming. The college is rigorously working on reducing carbon emission and water conservation. It is committed to its social responsibility; therefore the entire campus is blooming with lavish greenery. The college is well recognized and appreciated by the local, district level and state level govt. and non-govt. organizations for its unprecedented contribution to the local society. After the second cycle of NAAC, college has been seriously aspiring to become the center of social transformation. The innocent students from the rural community are inspiring us to do more and more good work and update ourselves. The ICT has radically transformed the TLE environment of the college. Young and dynamic teachers are appearing for various online courses like MOOCs, FDPs from IITs. There is an enough scope for us to give back something to the society by rendering yeoman services through the pious work of teaching.

Respected Sir/ Madam,

I have been allocated the responsibility as State Nodal officer to successfully execute the MoU signed between DHE -Pune and Infosys Pvt.Ltd. Bangalore wherein students and faculties will get access to various free courses.

For this work, we will be communicating with colleges/institutes through Coordinators appointed by their Principals / Directors.

The initial task of Coordinator will be to register himself through following link :

<https://neetakhobragade.in/CollegeRegistration.php>

Note : Please provide whatsapp no. as it is easy to communicate with you.

Also you will be added into the coordinator group or can click on link :

<https://chat.whatsapp.com/KeAkadpEzTu06i3GMT4ptu>

To take up the course each student and faculty should have a unique and correct email id. Through that email students can log into Springborad portal and can take online courses at any time suitable to them. These courses are free of cost as per the MoU.

To collect student and faculty data I have created a portal link which can be shared with students and faculties at your end (so no need to create separate Google Form - Create only if it is necessary)

Each college can follow these steps :

Step 1. College should select/appoint a College Coordinator (Whatsapp number is preferred)

Step 2. College information to be filled in the link

: <https://neetakhobragade.in/CollegeRegistration.php>

Step 3. College should share the proper AISHE code with student and circulate the link with them : <https://neetakhobragade.in/CollegeStudentRegistration.php>

Step 4. For Faculties the link is : <https://neetakhobragade.in/CollegeFacRegistration.php>

If Colleges want to share bulk data in excel the file the format is attached in this mail. Sending bulk data reduces the mistakes made by students while entering data.

If you have any query please feel free to contact me - 9326965035

If you have done the process please ignore the mail.

Thanks and Regards
