

Rayat Shikshan Sanstha

Founder Dr. Karmaveer Bhaurao Patil, Established-1919.

Central Office, Karmaveer Samadhi Parisar, Near Powai Naka, Satara - 415 001.

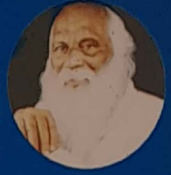

- **Vision**

- Education to all the classes of society, especially to the downtrodden, economically and socially backward sections of society
- There is a need to reconsider the present education at all its levels. The globalization and liberalization have changed all the concerns and references. It is necessary to deviate from the traditional methods and use the new methods and technology for imparting education. In view of this the Rayat Shikshan Sanstha has actively started the process of adjusting with new trends.

Objectives of the Sanstha:-

- The quality improvement programmes at 10th and 12th levels for strengthening teaching learning.
- Making changes for improvement in quality merit right from 4th std. onward through various teaching aids and resources.
- Orientation and training programmes for the teachers on the new methods and techniques of teaching.
- Providing at least one job oriented course to the students along with conventional university courses/degrees.
- Starting courses specially for girls in all colleges to make them self reliant, to stand on their own.
- Introduction of system to prepare students competently for competitive examinations.
- Framing new short term courses related to management studies.
- Making MS-CIT course available to know the needs of BPO services and for the preparation of software. MOU with bio- technology institutions and universities.
- Paying attention on the changes occurring after 2005 and retaining leading position of the Sanstha in the process of modern education.
- Completion of centenary year projects in 2018-19

VISION

To impart educational instructions to the students especially girl students belonging to the typically drought-prone rural area updating their knowledge, creating social awareness and imbibing morality.

MISSION

‘Empowering Rural Youth with Quality Education’

GOALS

- To educate the masses from rural and drought-prone population.
- To inculcate of basic human values like honesty, truth, sacrifice, social equality, national integrity, fraternity and self-confidence.
- To realize the dignity of labour and nurture employability skills.
- Gender equality is maintained through the representation of girl students.
- To create a sense of national identity with respect and tolerance of all cultures and religions.
